

Brand New Personal Internet & Mobile Banking will be Coming Soon

To provide you with a simpler, faster and more user-friendly digital banking experience, we are currently enhancing our Personal Internet & Mobile Banking services.

Note: The screen displays are for reference and illustration purposes only.

What's more?

Personalized Home Page: Choose to display either all your deposit accounts at a glance or useful shortcuts to access online services according to your own preference.

Enhanced Bill Payment: Review your payment summary, check your scheduled payments, make payments to your favourite payees quickly and support recurring instructions.

Hassle-free Online Registration: Register Personal Internet & Mobile Banking services instantly by your credit card.

e-Banking Tips: Provide comprehensive digital banking tips, including account management, transaction convenience and online exclusive offers, for you to plan ahead and manage your wealth more flexibly than ever.

For implementation details, please stay tuned with our bank website.
