[^] Designated banking services including Securities account, Personal Internet Banking and e-Statement services.

The above offers are subject to relevant terms and conditions. For details, please visit the Bank website or contact our staff.

An annualised percentage rate (APR) is a reference rate which includes the basic interest rate and other fees and charges of a banking product expressed as an annualised rate. The APR is calculated based on the guidelines as set out in the Code of Banking Practice, including the loan handling fee waiver, and is rounded to the nearest two decimal places.

Risk Disclosure Statement: Investment involves risks. The prices of securities fluctuate, sometimes dramatically. The price of a security may move up or down, and may become valueless. Customers should not only base on this marketing material alone to make any investment decision. This promotional content has not been reviewed by Securities and Futures Commission. Terms and Conditions apply. For details, please contact our bank staff.
