Complaint Handling Procedures

Our Bank handles every customer complaint seriously. We have in place a set of effective complaint handling procedures which are established in accordance with the guidelines of the Hong Kong Monetary Authority to ensure that all customer complaints are handled in a fair, consistent and prompt manner. Our complaint handling procedures are summarized as follows:

- An acknowledgement will be issued to the complainant within 7 days upon receipt of the complaint, providing the name or job title and contact details of the person handling the complaint.
- Our independent Complaint Handling Section will monitor the progress of investigation, ensuring that all cases are handled in a fair and consistent manner/approach.
- Normally, a final response will be given to the complainant within 30 days from the receipt of the complaint. Otherwise, a response will be sent out giving reasons for the delay and indicating when a final response is expected to be provided. In any case, a final response will be sent to the complainant not exceeding 60 days from the receipt of the complaint.
- If required, customer interview will be conducted by the Complaint Handling Section by phone or in person.
- For the feedback lodged by a third party, we will only contact the customer (first party) to protect his/her privacy.
- All complaints will be handled in a strictly confidential manner.
